ACCA Exam Sessions

ACCA exams run four times a year — plan your study phases around your target sitting.

The SmartPrep Solutions Approach

1

Tuition Phase

7 Weeks

Study videos on Google Classroom & Telegram + Assignments + Live meetings to discuss student problems. Daily & weekly updates on SmartPrep social media accounts.

2

Revision Phase

3 Weeks

A lot more question practice (on the CBE Practice Platform) + marked + debrief — using an approach not necessarily producing a ‘model’ answer, and within the allotted time.

3

Mocks & Final Prep

2 Weeks

ACCA Mocks — students attempt BEFORE tutor debrief.

A Student Perspective / Experience

— *Yusifu*

- 1 Own your studies (tutor is only there to guide/facilitate)
- 2 Focus on Mocks and Past Exam Q's — at least 3 sets of each session of the exam should be done together before the actual exam
- 3 Active learning — make sure you participate in class discussions; don't just attend
- 4 Checklist made available to each student, for each course
- 5 Others
